

CFC-EEX *E-Pledge*

CFC-EEX *E-Pledge* offers employees in specified agencies the choice of making a CFC payroll deduction pledge on-line through Employee Express (EEX). Employee Express is a convenient, user-friendly automated system that gives employees direct control over key payroll and personnel information without having to use forms or visit a personnel or payroll office.

CFC-EEX is not mandatory for CFC pledges. CFC-EEX is another option for the Federal donor in agencies using EEX (see attached list).

Employees utilizing CFC-EEX *E-Pledge* should not submit an additional paper pledge form for their payroll deduction pledge. However, paper pledge forms are required for one-time and cash contributions.

Benefits of CFC-EEX *E-Pledge* include:

- **Confidential and Secure:** EEX has secure links directly to your payroll providers. No SSN information is passed to a campaign or mailed to another office for input.
- **Accurate:** All pledges are received electronically by the payroll office and no math calculations to correct or printing to decipher.
- **Searchable:** Query the charity database to search for and select charities from your local campaign area and the National-International list.
- **Flexibility:** Donors can pledge to up to 30 charities, and change their pledge through the end of the official campaign season -- December 15.
- **Printable:** Employees may print a copy of the pledge form for their records.
- **Fast:** Information is processed immediately, in real-time, to the CFC reports site and to the payroll providers daily. Local campaigns retrieve reports and distribute them as needed to agencies in their campaigns.
- **Available:** CFC-EEX *E-Pledge* is open 24 hours a day, 7 days a week beginning on campaign kick-off to December 15th via the Internet:
