Dear NALC Member:

I write today to invite you to join with me in supporting the Combined Federal Campaign by making a pledge or donation to the charity of your choice.

As hard working letter carriers and postal employees we enjoy a living wage that includes the ability to take care of our families by providing shelter, food, clothing, and health care. Unfortunately, many other Americans are unable to do so due to the economic crisis in this country.

Each day many of us encounter real need in the communities where we live and deliver the mail. We help by collecting food, providing clothing, mentoring children, and looking after the lonely and disabled. We must continue to be good citizens by involving ourselves in these and other community efforts. However, it does not end there. The Combined Federal Campaign allows us to contribute to charities that we care about through payroll deduction.

Please consider making a donation to the Postal Employees Relief Fund (PERF), NALC's charity - the Muscular Dystrophy Association (MDA), or directly to the United Way.

Thank you for your daily work delivering the mail, and thank you in advance for caring enough to help your community through the Combined Federal Campaign.

In Solidarity,

**Fredric V. Rolando**  
President
